plaint, Cholera Morbus, Flux, Children's Teething, and the Great Preventive of Asiatic Cholera. MAGUIRE'S BENNE PLANT.

Soid by Druggists and Medicine Dealers

To Contractors. THE undersigned, Commissioners appear Arkaham, will receive sexial proposals up the list day of August, 1807, for the creeds of a Fire Proof Clerk's Office, o the town of Marion. Plans and specifi-tons can be seen at the Clerk's office in Mario

addition to the advertising wants of a commercial community, equally possessed with a morbid appetite for the stimulus of newspaper adulation, that the edifficial puff must become a notable institution, like some other commodities, to be bought, sold, bartered or used as collateral, and "no questions asked."

So many lines, at so much a line or so much in bulk, with the proper admixture of adjectives, form a combination of

come back to the hospitable hearts and homes of Memphis, the eminent advocate and accomplished barrister, Mr. Hysecyamos Buggs. Our learned friend has been rusticating for a few weeks among the hunting and fishing grounds of Minnesota, and returns to his arduous position at the bar in a next syntems. of Minnesota, and returns to his arduous position at the bar in a most exuberant state of convalencence. We take pleasure in suggesting to such of our fellow-citizens as need the services of a profound jurist, that Mr. Buggs may be found at the office of Buggs & Sbyster, Strychnine alley."

It will at once be apprehended that the belier-makers employed at the other of the suggesting to the interview will gen. Grant in relation to the military custody of certain property belonging to the firm of Frazer, Trenholm & Co.

—A telegram from Sharon, Pa., states that the belier-makers employed at the

alley."

It will at once be apprehended that Mr. Buggs, returning from his up-river solourn, desires to put in an appearance, and of course in such a way as to benefit his professional aspirations. If if were simply announced that "Lawyer Buggs had got home and might be found at his office," although this might be exceedingly proper and rigidity true, yet such a stupid notice would have paid neither the editor nor the counsilor.

It will at once be apprehended that "A telegram from Sharon, Pa., states that the boiler-makers employed at the rolling-mill at that place were discharged Saturday morning, and ordered to leave their homes, because they refused to work with imported Belgians.

—Prof. Hayden, in making his geological survey, says that the portion of Nebraska along the Missouri river, extending 200 miles back, is the richest agricultural section in the United States, and the finest grazing country on the

ushered into the hearts and homes of Memphis, as if he were a Marshall or a Story, redivivus, not only remunerates the writer for the talent and skill invested, but creates in Mr. Buggs a most benign and agreeable sense of self-importance.

—A remarkacie swinning match took place in Lake Frie on Wednesday last, between John McGreen and Chaz. Kinney. The distance was four and a half miles. Kinney gave out at the end of three miles, but McGreen made the entire distance in two and a half hours without halt or east.

To be sure, it places him before his without halt or rest. To be sure, it places him before his friends in a somewhat dramatic costume, but then the successes of life, as a general thing, are more dramatic than real. A man is always thought more of, for what he isn't, than for what he is. So which isn't, than for what he is so columns.

Spotted Tail's Sioux, two thousand in number have left their reservation on the columns.

Spotted Tail's Sioux, two thousand in number have left their reservation on the columns.

Mr. H.'s friends call him a brick, invite him to drink, and employ his services in the metropolitan courts. The multitude, who have a tacit sort of belief in the intention of taking part in the war. Intention of taking part in the war. They have hitherto been counted as friendly to the whites.

—Gen. Sheridan reports to Gen. Grant's headquarters that he has approved the action of Gen. Grant's headquarters that he has approved the action of Gen. Grant's headquarters that he has approved the action of Gen. Griffin in removing on August 15th, three additional district judges in Texas, on the charges of disleyalty.

The following notice will further illustrate my meaning:

"We could not repress a smile, [local editors don't, often, as we entered the inviting presences of the St. Gambrinus restaurant, recently opened in the base meat of Pyramid block. Fitted up in the meat gorgeous and receiver-te manner, it is indeed a perfect bijow, where gentleman of baronial extraction and classic stataments, and in no way connected with the Smith family of America."

Mr. Schmidt, the urbane proprietor, is a ligation of baronial extraction and classic stataments, and in no way connected with the Smith family of America."

If the local editor had simply given the statement of a some of second or proprietor, is a ligation of the smith family of America."

If the local editor had simply given the statement of the smith family of America."

Wet, when it was discovered that two

from the newspaper, so that "gentless are a construction of a home, but the matter-of-fact announcement would have been no better to him than a last year's advertisement.

"Both which is the soll of the population of the complete an address to congress, in which they attack that said constitution is not republican in form.

"The Peruvian government is about to nonneement would have been no better to him that a last year's advertisement. It wouldn't have "paid" Mr. Smith—it wouldn't have "paid" Mr. Smith—it wouldn't have "paid" Mr. Editor—and might have unfortunately eventuated in depriving the city of one of her chief wants, a new drinking saloon.

On the same principle of mutual profit, again, the Compost favors us also with the following elegant conception, which occupies the most conspicuous place in the track pear Monroe, on Sunday night. The locomotive was upset and the bar-paniar Fathing Fathing Fathing Fathing Fathing Fathing Fathing Fathing Fathing for Research and the bar-paniar fathing fathing fathing for the centeral Agent is call of the testeral Agent for fine above, where they will receive full particulars respecting this noble charity.

Figure (Research Agent for the testeral Agent for fine above, where they will receive full particulars respecting this noble charity.

Figure (Research Agent for the testeral Agent for fine above, where they will receive full particulars respecting this noble charity.

Figure (Research Agent Agent for the content to the remain to follow the spaniards. They will now be allowed to remain in the country, but in case of their connection with any plot against the spaniards.

Figure (Research Agent Agent for the centure of the profit of the remain to the country.

Figure (Research Agent Agent for the particular and particulars respecting this noble charity.

Figure (Research Agent Agent for the particular and particulars respecting this noble clearity.

Figure (Research Agent Agent for the particular and particular respecting the spaniar to the spaniar to the spaniar the spaniar to the spaniar to

the track near Monroe, on Sunday night. The loconcilve was upset and the baggage and smoking cars smashed. Fortunately but one person, Charles Stiles, of Elmira, was injured, and he not seriously.

Thomas Jones, a chiropodist of distinguished fame, has arrived in the city, and taken rooms at the Occidental house. He performs the most complicated operations with complete straigns success and bears with him numerous testimonials of his skill, corroborated by the bunions themselves, preserved in spirits.
